1145600	1993	
1149690	1994	
1153500	1995	
1153501+	1996	midyear
7-digit numbers starting with 4, 5, or 6	1996/7	1996 late year and into 1997
100022000	1997	Beginning with 9-digit numbering, this is the date that the candidate entered the system. This is often also the date of joining, or within a month or two, but some delayed paying dues further. Foreign transfers had their original join dates from original country input with first record.
